

### Creative Development

**Science-** We will be planting our own beans and cress as well as exploring which environments help them to grow best.

**Art-** Creating our own flowers using different materials, spring colour wheels as well colour mixing.

### Personal and Social Development

This term we will be focusing on ' Good to be me and Similarities and differences', thinking about what we want to achieve and the most effective ways of achieving them.

### Communication, Language and Literacy

We will be looking in depth at information texts about different life cycles, including ourselves, animals, plants and flowers. We will be looking at how to follow, order and write instructions. Also, we will be continuing to improve our sentence writing.

Year 1 will be focusing on the following key texts: Tattybogle, The Tiny Seed and a range of non fiction texts.

We will be continuing to have phonics sessions four times a week.

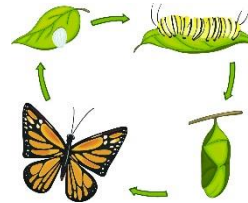

### Knowledge and Understanding of the World

**ICT-** We will be learning how to use and create pictures and images on the computer and make our own life cycle posters.

**RE-** Year 1 will be learning about "Who is Jesus?".

**Geography** - Year 1 will be learning about the four seasons, how they differ as well as the changes to our environment throughout.

### "Round and Round, Whatever Next!"

### Problem Solving, Reasoning and Numeracy

Year 1 will be focusing on a range of maths skills. A lot of our mathematics work will be practical based activities to embed our mathematical ideas. We will be learning how to tell the time to O'clock, quarter past, half past and quarter to. We will also be starting to introduce the concept of multiplication and division.

### Physical Development

The children will be continuing their SKiL sessions on a Friday morning with Mr Angella.

This will be reinforced and built upon during a PE session on a Wednesday afternoon with Miss Pope.
