www.meads.e-sussex.sch.uk

This Week...

All classes took part in the Skipping Workshops run by Moira Caplin. We were lucky with the weather as the children could skip outside in the playground. Moira said, "The children improved their skipping and learnt new skills, and enjoyed partner skipping." She hopes they will keep practising and was very impressed with the skills they had already.

Year 5 visited the Towner Art Gallery to take part in a study afternoon looking at the work of Eric Ravillious, a famous local artist. The children received a talk about the artist and the opportunity to observe the art collection.

Well Done.....

Lois Crook took part in a 10k sponsored walk at Cowbeech. The walk, organised by Cowbeech Bonfire Society, raises money for multiple local charities. Not only did Lois raise money for this event she was also the first walker to complete the 10k!

Olivia James has achieved her stage 4 swimming award and **Hollie Pope** has earned multiple certificates, badges and a medal for gymnastics.

Archie Delaney played in a tournament for the Under 7s for All Stars and they finished top of their group. Archie scored 8 goals during the day with a diving header in the final.

Rosie Perry, Erin Farrell and Max Craddock all took part in the Lighthouse Challenge 2019. They walked all the way from Holywell to Beachy Head Lighthouse and back.

It's great to be able to share and celebrate children's sporting and fundraising achievements.

Faith in the Family

This week we learnt about Jesus' disciples. We thought about how Jesus called them to follow Him and become fishers of men. We also learnt that following Jesus produces more blessing than staying in our old life. We reflected on what God might be calling us into. What might God be calling you as a family, into? How can you follow him where you are? Spend some time together asking God to show you how to be 'fishers of men' in your patch.
