## Achievements

Oliver Brophy took part in an Aquathon at Bewl Water last Sunday and really enjoyed it. Well done Oliver!

At the end of last term, each child in Year 6 created a butterfly which has now been included in an incredible art installation at Chichester Cathedral. To find out more about this, please follow the link to the Diocese of Chichester website. The 'Called by Name' artwork will be displayed in the cathedral until 15th July.

# Year 6—Macbeth

The Year 6 props team created this incredible backdrop for the Y6 production of Macbeth.

What an amazing effort by all of Year 6 on Tuesday. Their production of Macbeth was professionally filmed by Ryan of Zyllo Performance Ltd., and they all performed brilliantly. Well done Year 6 for being such super stars!

# Year 6—Macbeth

*We enjoyed the Macbeth production because the songs were fun to learn and we all had to work together as a team to pull it off. Sometimes we made mistakes but we learnt from them and got better and better each time we rehearsed. We also liked making up actions and sword fighting in the 'Sonic Battle' song. It was fun watching others perform and being on the stage. We enjoyed recording it with lights and dressing up. We were fascinated when we saw other people's costumes and acting skills. The props and sound effects were added perfectly to improve the play. It was a brilliant class effort and everyone played a part in making it a success!*

# Sports Day Year R

Well done Reception for completing your very first sports day at school. You all tried so hard in all events, showed great determination and concentration, especially when taking part in the egg and spoon race! It was lovely to see you cheering on your friends too. Well done to all, what a great morning we all had!

# Sports Day—Years 1 & 2

# Sports Day—Years 3 & 4

## Year 4

Coco: It was fun; the weather was sunny, and it was very hot. Activities included penalty shootout, throwing beanbags in heaps, bouncy hopper race, a sack race, and an obstacle course where you had to jump hurdles, go through hoops and climb over ladders. I loved the bouncy hopper race, but my favourite was the penalty shootout.

Ruby: It was good, the teams were fair and the penalty game was good, but the beanbag throw was my favourite.

Matthew: I enjoyed it and liked all the events; my favourite was between the penalty shootout and the sack race.

# Sports Day—Years 5&6

**Year 5** had a great time at sports day! They enjoyed all the events especially the bouncy hopper race and the bean bag throw. They were competitive yet kind towards one another, which is sometimes a hard balance to strike but they got it spot on! We all felt very proud of them.

It was an unexpectedly warm day so they really appreciated the ice lolly at the end.

Special mentions to:

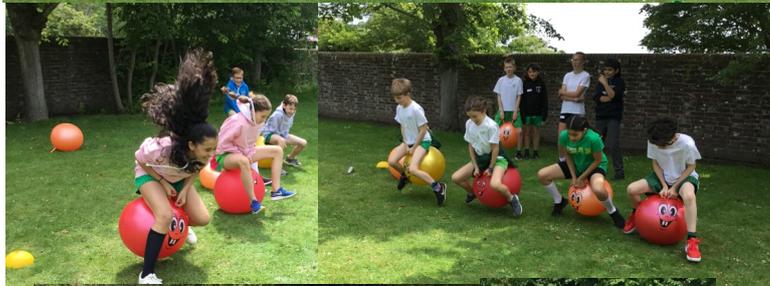

Kenzy for being really polite.

Oliver Br for extraordinary effort in all the events.

Michaela for being a super helper.

Mathilda for incredible determination.

And the whole of Year 5 for going to Sports Day with a brilliant attitude of having fun and trying hard!

## **Year 6**

Terence: I liked the penalty shoot-out because it helped you improve your aim. It was a good activity, especially with the Euros at the moment!

Tegan: I liked the bean-bag throw best. I'm also just really pleased and grateful that we got to do sports day this year. It was fun!
