This Week...

Our new School Council have been busy consulting their classmates about their choice of stickers for our in class behaviour system. The children have chosen 'Scratch and Sniff' stickers. If your child comes home with one of these stickers, it means they have gone above and beyond expectations in their learning and/or behaviour throughout the day.

It was lovely to meet more parents at the Coffeetchattea events this week and to hear your views. I hope you found it useful to have the opportunity to meet the staff working directly with your child as well as members of the leadership team.

If your child has achieved something outside of school, we would love to know about it. If they have an accompanying certificate, medal, trophy etc, I would be delighted to present it to them during our Friday Celebration assembly, so that the rest of the school can share in celebrating their success. Please speak to Mrs Newton Brown in the office to arrange this.

This week, we congratulate Connie in Year 4 who has achieved her Grade 1 for ballet. Happy dancing Connie!

Polite Reminder

Please be considerate of our neighbours when dropping off and collecting your children from school. A number of our neighbours are experiencing their driveways being blocked by parked cars at these times.

Thank you

Faith in the Family

As a parent or carer you have the greatest influence on your children to inspire a faith that lasts. Inspiring faith everyday is not about carving out large quantities of time, or having all the answers to difficult questions, but finding ways to involve God naturally in everyday life. **In this space** each week, you will find 1 simple thing to do as a family at home. Remember that every family is unique, so do what works for you. And above all ... have fun!
