This Week...

We had a wonderful time at our Harvest Celebration Service. Thank you to all the families who supported either by attending or sending in donations for the Food Bank. Also, I'd like to extend my thanks to Kim for co-ordinating the event and to Mrs White for the musical elements.

Some of our Year 2 girls had fun learning about the Stone Age as part of an Enrichment Day at Moira House.

Outside of school, Hermione Buckland has received a 'merit' in the entry level examination for dance from the Royal Academy of Dance. Mathilda Kirkman has been winning lots of competitions on her pony and had three beautiful rosettes to show in assembly. Harry Standing has learnt to swim 10 metres and achieved a Stage 3 award which includes swimming 10m front and back and submerging in water. Well done all! ☺

This week I have been really pleased to hear what great role models some of our Year 6 children have been. They have spontaneously helped at dinner time to support younger children and really embodied the 'Caring Community' aspect of our Rainbow Vision. Mr Newlands and I are looking forward to finding out which Y6 pupils decide to apply for the new and prestigious role of 'Prefect' in the coming week.

Faith in the Family

'Whatever happens, always be thankful. This is how God wants you to live in Christ Jesus.' 1 Thessalonians 5:18. This week we had our Harvest Service – a time to be thankful for all God has given us. As you sit down to eat dinner each night, share with each other what you are thankful for.

Remember that every family is unique, so do what works for you. And above all ... have fun!

Child Safety – Cars

Please can drivers be mindful of child safety when dropping off and collecting children. The area just outside the main school gate is particularly dangerous at the end of the day if cars 'nip in' and park by the yellow line. Better to be a few minutes late than to injure a child!
