

ST JOHN'S MEADS CHURCH OF ENGLAND PRIMARY SCHOOL

Policy: Accessibility Plan 2018 -2021

Introduction

We are committed to providing an accessible environment which values and includes all pupils, staff, parents and visitors. We are committed to developing a culture of awareness, tolerance and inclusion. We interpret our duties positively, taking into account the necessary actions to remove barriers to inclusion. We recognise that there are similarities and differences between individuals and groups but we will strive to ensure that our differences do not become barriers to participation, access and learning and to create inclusive processes and practices, where the varying needs of individuals and groups are identified and met. We therefore cannot achieve equality for all by treating everyone the same. Our Accessibility Plan shows reasonable adjustments made to accommodate their needs where practicable to prevent a disabled person being at a substantial disadvantage in comparison with people who are not disabled.

Definiton of Disability

A person has a disability if he/she has a physical or mental impairment that has a substantial and long term adverse effect on his/her ability to carry out normal day to day activities.

Purpose of the Plan

The Accessibility Plan is drawn up in compliance with current legislation and requirements relating to the DDA legislation <https://www.gov.uk/definition-of-disability-under-equality-act-2010> . The Accessibility Plan is structured to complement and support the school's Equality objectives. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school:

- Not to treat disabled pupils less favourably
- To take reasonable steps to avoid putting disabled pupils at a substantial disadvantage
- To publish an Accessibility Plan

Areas of planning responsibilities

- **Improving access to the physical environment**- the school will take account of the needs of pupils and visitors with physical difficulties and sensory impairments when planning and undertaking future improvements and refurbishments of the site and premises.
