

## Communication and Language/Literacy

This term we will be exploring letters and sounds, practising and learning single sounds and matching these to the written form. We shall be learning songs and doing silly actions to help us to remember these!

We shall also be focusing on our fine motor skills, practising small and intricate movements to help us to become amazing writers. As well as this, we shall also be exploring many traditional tales linked to our topic through role play, story maps and story telling.

## Religious Education

In our RE lessons, we will be talking about our school assemblies and what happens during these. We will begin to reflect on the topics of these assemblies through pictures and stories.

We will be also learning all about Harvest and will be looking forward to enjoying our Harvest Festival at the church.

## Maths

In Maths we will be practicing our counting skills, being able to count out loud, count objects and to recognise our numbers written down. We will also be looking at ordering numbers from 1-10 and beyond.

We will be going on a shape hunt to learn about 2D/3D shapes and their properties. We will also be using familiar objects and common shapes to create, recreate patterns and build models.

## Understanding the World

This term we will be looking at similarities and differences between ourselves and others. We will also be exploring our new surroundings and will be looking at the season of 'Autumn', beginning with an autumn walk to describe and explain what we can see all around us.

## Once Upon A Time

### Reception Term 1

## Creative Arts

This term we will be exploring a range of different art materials linked to traditional tale stories. We will be painting characters and using these to help us make up stories of our own. We will also be using playdough and crafting to make characters and props using different media.

## Physical Development

This term we will be completing a series of Gymnastic lessons, focusing on balancing, moving and the making of routines. Every PE session we will be practising changing for PE and will be encouraged to develop our independence when doing this. It would be great to practise this at home too!

## Computing

In Computing we will be focusing on how to control a mouse and type on a keyboard.

We will be using 2Simple to create pictures on the computer based on our class topic. We will also be making use of the school iPads practising our phonics and completing educational games.
