

English

During this topic we will be writing for different purposes. We will write our own journey story based on 'Meerkat Mail'. We will be focusing on editing and improving our work independently. Towards the end of the term we will write a recount about our school trip.

Phase 6 Phonics will continue every afternoon, where we will be recapping over a range of different spelling rules.

Religious Education

We will recap over Judaism and spend more time focusing on their holy days.

PSHE

We will be focusing on 'Keeping healthy and keeping safe'. We will learn what keeps us healthy and how illnesses are spread.

Mathematics

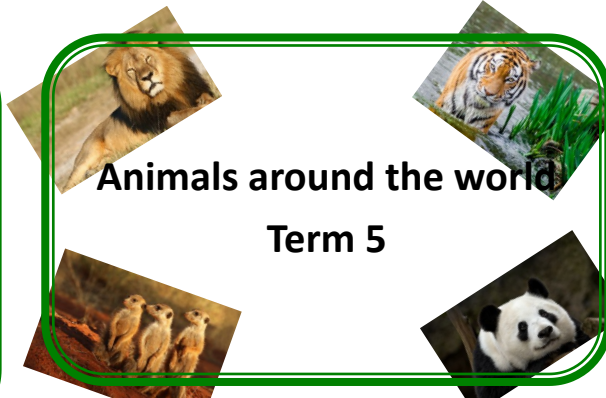

We will begin by learning about position and direction. We will focus on ordering and arranging combinations of mathematical objects in patterns and sequences. We will recap our understanding of time and learn how to tell time to 5 minute intervals.

Science

This term we will be looking at uses of everyday materials. We will compare how objects move on different surfaces and look at the suitability of everyday materials. We will discuss about their different properties and how these are useful.

Animals around the world

Term 5

Humanities

We will be focusing this term on Geography where we will be learning about hot and cold environments. We will be using aerial photographs to recognise human and physical features of different places around the world.

Art/D&T:

We will be making animal hand puppets and will be joining and shaping materials.

Music:

We will experiment with, create, select and combine sounds using the interrelated dimensions of music.

Physical Education

Athletics and preparation for sports day.

Games

We will be continuing to create our own games and thinking about their rules.

Computing

We will be continuing to develop our information technology skills. We will be manipulating and creating content in different ways. Towards the end of term we will be developing our programming skills, as well as recapping over E-safety.
