

Communication and Language/Literacy

We are focusing on being independent writers this term - demonstrating how we can use our phonic knowledge to help us to write clearly and confidently without always needing an adult.

Through our learning of the seaside and pirates, we will be reading a range of stories and poems which will link to different activities around our classroom. We will also be using Pie Corbett's, 'Talk for Write' to learn and perform poetry and stories.

Understanding the World

This term we will be looking at all things seaside. We will be thinking about what we might see at the beach and also about what animals and marine life might live there.

We shall also be exploring the theme of pirates, designing ships and thinking about people of the past.

Creative Arts

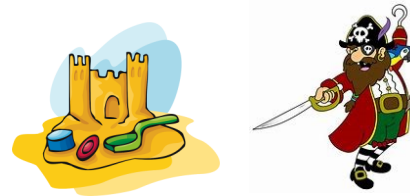

This term we will be using natural objects to help us to create art work. We will be using objects to create giant collages and pictures. We will also be creating treasure maps, telescope and other pirate themed objects to link with our topic.

Religious Education

This term we are focusing on the topic of 'How can we help others when they need it?' with reference to The Good Samaritan and people that help us. We will be looking at stories from the bible where Jesus helps others and will be talking about how we can help others in our own lives.

Land Ahoy!

Reception Term 6

Physical Development

This term we will be practicing our athletics in preparation for Sports Day.

We will be making use of the school field to practice our running, jumping and throwing skills.

We will also continue to work on our fine motor skills to enhance our writing.

Maths

This term we will be revising the maths skills we have learnt so far this year. Like our Literacy we will be focusing on being independent mathematicians and explore different ways of working things out on our own using a range of resources. We will also be focusing on counting in 2s and grouping in 5s and 10s.

Listen to our song to help us remember our 2s...

Personal Social and Emotional

Development

As we are approaching the end of our time in Reception and look forward to moving onto Year 1, we will be doing transition activities to help us to feel confident in moving classes.

We will also be using our new 'Jigsaw' PSED resources to think about some of the changes that will take place in school and to also celebrate our special time in Reception.

Computing

We will continue our weekly ICT sessions on a Monday afternoon. We will be exploring a range of different programs. We will also be making use of the school beebots to revise our directional language and position.
