

English

We will be using the story of Beowulf, a story from Anglo-Saxon times, to create our own stories. We will be recapping the use of dialogue and associated punctuation, as well as thinking closely about the composition of our sentences to ensure we are developing our use of adverbs, cohesive pronouns, adjectives, person and tense.

We will also be developing our use of different genres

Science

We will be developing our knowledge of electricity this term through exploring how circuits are made, learning how to draw circuits using the correct diagrammatic symbols as well as practically building and experimenting with circuits construction. We will be discussing the conductivity of certain materials and labelling materials using the terms insulator or conductor.

Creative Arts

Using different mediums we will be looking at producing works of art that represent different themes. We will explore different techniques to produce various effects.

In Music will learn how to add music to a story by varying instruments, speed and dynamics to add to the sto-

Religious Education

We will be examining the Creation and Fall where we will look at the value of people and what it means to be created in the image of God.

PSHE

We will using our new syllabus 'Jigsaw' throughout the year, where we will be considering our reactions to new situations.

Adventurous Anglo-Saxons Year 4 TERM 1

Physical Education

We will be looking at gym skills and creating routines.

Games

The children will be learning the associated skills of attack and defence games

Mathematics

We will start off revising and expanding our knowledge of place value to include thousands. We will be using formal methods for addition, subtraction, multiplication and division and looking at how equipment can support us. There will continue to be a focus on times tables. The children will also develop their knowledge of 3D shape identification.

Humanities

We will be looking at how civilisations formed in the British Isles through studying the ways and lifestyles of the Anglo Saxons. We will be considering sources of information and how people, particularly archaeologists and historians, use artefacts from the past to 'tell stories' and form judgements about the way people might have lived.

Computing

The children will be looking at E-safety where they will learn to evaluate and effectively use information found via the internet.
