

Communication and Language/Literacy

During this topic we will be looking at different modes of transport with focus on going on a journey. We will be reading books such as 'Owl Babies' and 'Katie in London' to think about both imaginative journeys and the journeys we may take. We will be also participating in a flight experience, where we will be making passports and flight tickets.

Phase 2 phonics will continue every morning. During these sessions we will be looking at new sounds and how to write them. We will also be exploring words with our new sound in.

Understanding the World

This term we will be looking at the season of Autumn and will be completing lots of Autumn observations and activities.

Linked to our topic we will also be looking at transport of the past and how it is different from today.

Creative Arts

This term we will be making our own modes of transport using junk modelling, thinking about how to join our materials together. We will also be exploring a range of techniques to create firework pictures from chalk, pastel and paint.

Nearer to Christmas we will be making a range of 'Christmassy' crafts to bring home to show!

Religious Education

This term we will be focusing on the topic of Celebration with focus on Bonfire Night and Christmas. Leading up to Christmas we will be exploring the Christmas story and why we celebrate this special day.

Are we there yet?

Reception Term 2

Physical Development

This term our focus is Gymnastics and Dance. We shall be exploring different ways of moving linked with our topic and will be also thinking about how we can perform confidently to others in our class. Please continue to practice changing independently at home.

Maths

In Maths we will be continuing to practise our amazing counting from 10-20 and beyond! We will be using this knowledge to count objects which can be moved and some which cant.

We will also be changing our role play into an airport which will give us many opportunities to learn about money and direction.

Personal Social and Emotional

Development

In PSED we will be celebrating differences. We will explore how we are all unique and that we have different interests and hobbies. We will be thinking about what we are good at and what we enjoy doing at school or at home.

Computing

In computing we will continue to focus on using 2Simple to create pictures about our topic. We will be learning how to change the colour, style and erase parts of our work if necessary. We will also be exploring technology and will be thinking about what we use at home and in school.
