

## English

We are focusing on the stories written by Oliver Jeffer's this term. We will begin by writing sentences using correct punctuation. We will continue to write for different purposes, including letters and story writing.

In grammar, we will identify statement, question, exclamation and command sentences, as well as learn about expanded noun phrases and coordinating conjunctions.

## Science

This term we will be working scientifically, working practically, asking simple questions and observing carefully. Using the Oliver Jeffer's stories as inspiration, we will perform simple tests using a range of scientific equipment.

## Creative Arts

In **Art**, we will be colour creators, learning how to paint for a range of purposes and mix colours together.

In **Music** we will be exploring rhythm by learning how to keep time using a steady beat and creating our own ways to record rhythms.

## Religious Education

We will be looking at God and Creation and how we can relate each part to the holy trinity. We will also be looking at what the creation story teaches us about God.

## PSHE

This term, we will be following the Jigsaw piece "Being Me in my world." We will explore what makes us special and unique.

## **Look in a Book**

### **Year 2 Term 1**

## Physical Education

In **gymnastics** we will be learning about high and low positions of balance on the ground and apparatus.

In **games** we will be looking at the skills involved in throwing and catching and inventing our own games using what we have learnt.

## Mathematics

We will be focusing this term on place value, learning about the different values that digits have up to one hundred. We will be comparing and representing numbers in different ways. We will be counting in 2's, 5's and 10's and learning strategies to support us. Towards the end of term we will be developing our understanding of addition and subtraction. We will use objects, pictures and our mental strategies to add and subtract 2 two-digit numbers and add 3 one-digit numbers.

## Humanities

This term we will be looking at maps. Year 2 will create simple maps for different purposes.

We will introduce the idea of using a key.

## Computing

To begin this year we are going to be focusing on E-safety as it is such an important issue children need to be aware of. We will be looking at how to research online safely, understand that not all information is accurate and what to do if someone comes across something inappropriate online.
