Introduction

Our **vision** for our Trust is we exist to:

Help every child achieve their God-given potential

Our **aims** are clear. We aim to be a Trust in which:

Developing the whole child means pupils achieve and maximise their potential

Continued development of staff is valued and improves education for young people

All schools are improving and perform above national expectations

The distinct Christian identity of each academy develops and is celebrated

Our work as a Trust is underpinned by shared **values**. They are taken from the Church of England's vision for Education and guide the work of Trust Centre team. They are:

Aspiration

I can do all things through Christ who strengthens me
(Philippians 4 vs 13)

Wisdom

Listen to advice and accept discipline, and at the end you will be counted among the wise
(Proverbs 19 vs 20)

Respect

So in everything do to others what you would have them do to you
(Matthew 7 vs 12)

Our vision of helping every child achieve their God-given potential is aligned with the Church of England's vision for education and is underpinned by the Bible verse from John: *I have come that they may have life, and have it to the full.*

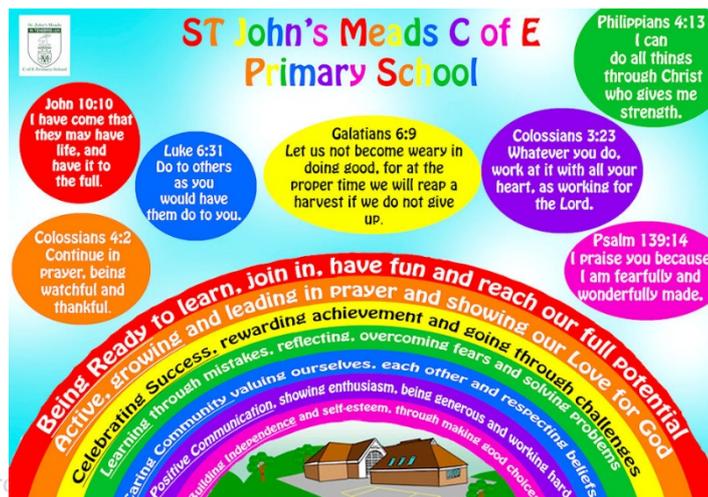

The School's Vision:

Loving learning and loving one another, as God loves us.

Striving for and celebrating success in its many forms and overcoming challenges.

Praying for and caring for our whole community.

Learning to live in the light of Christ and as a light to others.

1. Policy Aims

The aims of DCAT, as the employer, is to train and support our NQT's for the future quality and leadership of teaching in the Trust. DCAT aims to:

- Run a NQT induction programme that meets all the statutory requirements
- Provide NQTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Ensure all staff understand their role in the induction programme

At St John's Meads, Katherin Weeks (Headteacher) is responsible for the management of the NQTs and ensuring they are supported by an appropriate member of staff.

2. Legislation and statutory guidance

This policy is based on the Department for Education's statutory guidance [Induction for Newly Qualified Teachers \(England\)](#) and [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#).

The 'relevant standards' referred to below are the [Teachers' Standards](#).

This policy complies with our funding agreement and articles of association.

3. The induction programme

For a full-time NQT, the induction programme will typically last for a single academic year. Part-time NQTs will serve a full-time equivalent.

The programme is quality assured by Sussex Teaching School Alliance as our 'appropriate body'.

4.1 Posts for induction

Each NQT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed induction tutor, who will have qualified teacher status (QTS)
- Have a reduced timetable to allow them to undertake activities in their induction programme, with no more than 90% of the timetable of our existing teachers on the main pay range
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis

4.2 Support for NQTs at St John's Meads

At St John's Meads, Katherin Weeks (Headteacher) is responsible for the management of the NQTs and ensuring they are supported by an appropriate member of staff.

We support NQTs with:

- Their designated induction tutor, who will provide day-to-day monitoring and support, and co-ordinate their assessments
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place termly, at which we will review their objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice

4.3 Assessments of NQT performance

Formal assessment meetings will take place on a bi-termly basis, carried out by the NQT's induction tutor.

These meetings will be informed by clear and transparent evidence gathered during the preceding assessment period, and drawn from the NQT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the NQT and the appropriate body.

After these meetings, formal assessment reports will be completed that clearly show how the NQT is performing against the relevant standards.

At the end of the programme, NQTs will take part in a final formal assessment meeting. The outcomes of this meeting will be used by the Headteacher to decide whether the NQT's performance is satisfactory against the relevant standards. The decision will be written up in a final assessment form.

The NQT can add their own comments to this final form.

The form will then be sent to the appropriate body, who will make the final decision on whether the NQT has passed their induction period.

4.4 At-risk procedures

If it becomes clear the NQT is not making sufficient progress, additional monitoring and support measures must be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the NQT towards satisfactory performance
- An effective support programme is put in place to help the NQT improve their performance

If there are still concerns about the NQT's progress at their next formal assessment, so long as it is not the final assessment, the induction tutor will discuss this with the NQT, updating objectives as necessary and giving details of the improvement plan for the next assessment period.

5. Roles and responsibilities

5.1 Role of the NQT

The NQT will:

- Provide evidence that they have QTS and are eligible to start induction
- Meet with their induction tutor at the start of the programme to discuss and agree priorities, and keep these under review

- Agree with their induction tutor how best to use their reduced timetable allowance
- Provide evidence of their progress against the relevant standards
- Participate fully in the monitoring and development programme
- Participate in scheduled classroom observations, progress reviews and formal assessment meetings
- Agree with their induction tutor the start and end dates of the induction period, and the dates of any absences from work during the period
- Keep copies of all assessment forms

When the NQT has any concerns, they will:

- Raise these with their induction tutor as soon as they can
- Consult with their contact at the appropriate body at an early stage if there are difficulties in resolving issues with their tutor or within the school

5.2 Role of the Headteacher

The Headteacher will:

- Check that the NQT has been awarded QTS and whether they need to serve an induction period
- Notify the appropriate body when an NQT is taking up a post and undertaking induction
- Make sure the NQT's post is suitable according to statutory guidance (see section 3.1 above)
- Ensure the induction tutor is appropriately trained and has sufficient time to carry out their role effectively
- Ensure the NQT's progress is reviewed regularly, including through observations and feedback of their teaching
- Maintain and keep accurate records of employment that will count towards the induction period
- Make a recommendation to the appropriate body on whether the NQT's performance against the relevant standards is satisfactory
- Participate in the appropriate body's quality assurance procedures of the induction programmes

5.3 Role of the induction tutor

The induction tutor will:

- Provide guidance and effective support to the NQT, including coaching and mentoring
- Carry out regular progress reviews throughout the induction period
- Undertake formal assessment meetings during the induction period, coordinating input from other colleagues as appropriate
- Ensure that formal assessments are carried out and reports completed and sent to the appropriate body
- Inform the NQT during the assessment meeting of the judgements to be recorded on their formal assessment record and invite the NQT to add their own comments
- Ensure that the NQT's teaching is observed and feedback is provided
- Ensure the NQT is aware of how they can raise concerns about their induction programme or their personal progress, both within and outside of the school

- Take prompt, appropriate action if the NQT appears to be having difficulties

5.4 Role of the Trust and Local Governing Board (LGB)

The Trust and LGB will:

- Ensure the school complies with statutory guidance
- Be satisfied that the school has the capacity to support the NQT
- Investigate concerns raised by the NQT as part of the school's grievance procedure

6. Monitoring arrangements

This policy will be reviewed 2 yearly by the Head of School Improvement. At every review, it will be approved by the Trust Board.
