

# Computing

Ambitious and challenging curriculum content/coverage

Different media—videos, blogs, presentations, photos, image adjustments, programming

Solving contextual problems/challenges—real life application

Fun and engaging use of computers in lessons  
Break, lunch and after-school clubs/use

Appropriate use of technology to communicate with others—social media, e-safety, cyber-

Using computers to support learning in other subjects—mathematics, Lexia Readwriter

Supporting learning across the curriculum

Loving learning and loving one another as God loves us.  
Striving for and celebrating success in its many forms and overcoming challenges.  
Praying for and caring for our whole community.  
Learning to live in the light of Christ and as a light to others.

Innovation—new technology

How technology can be used to support people with different needs to access learning and live successful and independent lives

Up-to-date subject knowledge (staff)

Research

Using IT to share Christian faith and/or ethos and behaviour with others

Communicate with our community?  
Care for our community?  
IT to support and raise awareness of environmental concerns.
