

Attendance Policy

This policy reflects the vision and aims of St John's Meads CE Primary School by

- ❖ Encouraging staff, parents and children to maximise the learning experience in order that all children reach their full potential.
- ❖ Providing clear procedures for involving parents relating to school attendance.

Principles

Regular and punctual attendance is of paramount importance in ensuring that all children have full access to the curriculum. Valuable learning time is lost when children are absent or late.

Children should be at school, on time, every day the school is open, unless the reason for the absence is unavoidable. Permitting absence from school without a good reason is an offence by the parent.

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If a child is reluctant to attend, the root cause needs to be discovered and addressed. Giving in to pressure to excuse a child from attending gives the impression that attendance does not matter *and may make things worse*.

WHAT IS GOOD ATTENDANCE?					
190 days	180 days	178 days	163 days	161 days	143 days
100%	95%	94%	86%	85%	75%
Good		Worrying		Serious Concern	
Only 1-2 day missed per term		Between 3-8 days missed per term		More than 9 days missed per term	

Every half-day absence has to be classified by the school, (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of each absence is always required.

Authorised absences are mornings or afternoons away from school for a reason such as genuine illness or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This includes:

- ❖ **parents keeping children off school unnecessarily**
- ❖ **birthdays**
- ❖ **holidays**
- ❖ **truancy before or during the school day**
- ❖ **absences which have never been properly explained**
- ❖ **children who arrive at school too late to get a mark**
- ❖ **shopping, looking after other children, day trips etc.**

Leave may be granted in an emergency (e.g. bereavement) or for medical appointments which must be in school time.

Attendance Policy

Procedures

The school applies the following procedures in deciding how to deal with individual absences:

Absence: Parents should call the school on the morning of the absence to give a reason. This can be via a message on the answerphone or an email. The school will telephone the parent/carer of all children who are absent to ascertain the reason, if this is not already known. Registers close at 9am and children arriving after this time will be marked as late.

Late: If your child is late, you will need to accompany them to the school office to sign them in and give a reason for their absence.

Reporting an absence to school

- Registration period: 8.40am – 8.55am (afternoon is dependent upon staggered lunch breaks).
- Parents are expected to contact school by 9.00am to report an absence.
- Staff will contact parents/carers between 9.00am and 9.30am to follow-up unreported absentees
- **A late mark (L) will be given to all children who arrive after 8.55am (Late arrival before the register has closed)**
- A daily phone call from parents/carers is required to update on the absence

Withdrawal from Learning Application

There is no entitlement for parents/carers to remove their child from school for the purposes of a planned leave of absence during term-time. Planned leave of absence during term-time will not be authorised except where the Headteacher considers it to be in exceptional circumstances in the best interest of the pupil's health or welfare to grant time away from school. All requests for planned leave of absence exceeding one session during term-time must be made on the school's official Withdrawal from Learning Application and must include details of the circumstances.

In the case of an unauthorised absence the Education Support, Behaviour & Attendance Service will be notified and a Penalty Notice may be issued (in all cases, a minimum of 10 sessions (5 school days) of absence must have been accrued before a Penalty Notice is issued. Please note that Penalty Notices are issued to *each* parent for *each* child taken out of school. A Penalty Notice is a fine of £60 which increases to £120 if not paid within the first 21 days. If the Penalty Notice remains unpaid this will result further legal intervention.

Attendance Policy

Persistent Absence

If any child's attendance levels fall below 90%, this is categorised as 'persistent absence'. In such cases, the Headteacher may request a meeting with the child's parent(s) to discuss ways to improve attendance. The school may request evidence for any future absences. In some cases a referral may be made to the Education Support, Behaviour & Attendance Service from the Local Authority (ESBAS). The Practitioner will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed, these Officers can use Legal Interventions on parents or to seek an Education Supervision Order on the child. The maximum penalty on conviction is a fine of £2500 and/or 3 months imprisonment.

Information about individual school targets, projects and special initiatives

The school has a strong history of good attendance which is consistently above national expectations.

The whole school attendance target is 97%.

Newsletters are used to provide regular reminders to parents of expectations for attendance and punctuality as well as signposting of support services. Periodically (except during covid), individual letters are sent to families to highlight good/high attendance.

Those people responsible for attendance matters in this school are:

Katherin Weeks, Headteacher

Lara Cork, SENCO

Lisa Newton-Brown, Office Manager/Attendance Officer

Summary

The school has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend. School staff are committed to working with parents as the best way to ensure as high a level of attendance as possible.
