

English

We are focusing on 'mixed-up' traditional tales this term. We will be 'Writing with Pride', practising writing sentences using accurate punctuation such as a capital letter, full stop and forming letters accurately. We will write for different purposes, for example letters and story writing. We will have daily phonics and whole class reading sessions.

RE

We will be looking at God and Creation and how we can relate each part to the holy trinity. We will also be looking at what the creation story teaches us about God.

Spanish

Year 2 will learn about 'Animals', learning how to say different animal names in Spanish. We will also understand there is a 'masculine' and 'feminine' part of the language.

Mathematics

We will be focusing this term on place value, learning about the different values of numbers up to one hundred. We will be comparing and representing numbers in different ways. We will be counting in 2's, 5's and 10's. Towards the end of term we will be developing our understanding of addition and subtraction.

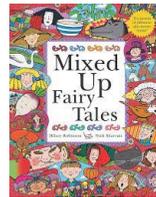

Science

This term we will work scientifically to learn about 'Uses of everyday materials'. We will name, sort and identify uses for lots of different materials. We will look at the suitability of materials and compare these through investigations.

Mixed up Fairy Tales!

Year 2
Term 1

Geography

Our focus this term is to locate countries and cities of the UK and its surrounding oceans. We will use maps and atlases to help us. We will also develop our mapping skills, learning compass points as well as how to use a key on a

Forest School

Year 2 will be learning how to stay safe around the fire and that fire can be used for keeping warm and cooking food. They will sort materials into tinder, kindling and firewood and will help to prepare a recipe.

PSHE

This term, we will be following the Jigsaw piece "Being Me in my World." We will explore what makes us special and unique.

Art

We will be drawing self-portraits, celebrate difference and diversity through collage and drawing objects looking at different tones, tints and shades. We will learn about famous artists such as Van Gogh and Yayoi Kusama.

Music

Year 2 will be exploring a range of music genres and enjoying singing different songs. We will practise keeping a beat to music and listening for different rhythms and instruments.

Physical Education

Gymnastics—we will be learning about high and low positions of balance on the ground and apparatus.

Outdoor Games—we will be looking at the skills involved in throwing and catching and move onto inventing our own games.

Computing

We begin the year with Online Safety. We will explore online relationships as well as privacy and security when using devices. The children will learn what to do if they are worried about something they see online.
